

DSA Access Code Forums

As it prepares the update of California's accessibility codes, the California Division of the State Architect (DSA) is seeking input and comments from accessibility stakeholders, interested parties and the general public through a series of Access Code Forums to be held in May, June and July of 2012.

The Department of General Services acts as the business manager for the State of California. DGS helps state government better serve the public by providing services to state agencies including procurement and acquisition solutions, real estate management, leasing and design services, environmentally friendly transportation, and architectural oversight and funding for the construction of safe schools.
